In celebration of the new installment in the Street Fighter Franchise (SF4), and the debut of a new Street Fighter movie, Gallery Nucleus with support from CAPCOM, I am 8-bit, Udon Entertainment, have teamed up to bring you “JAB STRONG FIERCE a Street Fighter Tribute Art Exhibition”

Known to be the greatest fighting game ever created, Street Fighter has become more than that. With the passing of time, it still grips the hearts of a whole generation and nostalgia has turned SF into a pop culture phenomenon. This exhibition explores these various pop themes featuring high quality fan art to more conceptual works.

On mutated memories and sentimental attachments, an impressive and diverse roster of artists whose work or life has been influenced by the classic video game will offer their unique perspectives through drawings, paintings, and interactive installations.

Other notable features for the event include:

- Cosplay competition.
- Costume competition.
- SF4 tournament for cash prizes.
- Raffle giveaways.

For fans of the Street Fighter franchise, this ultimate tribute event should not be missed. Those who may not be fans will still enjoy the fun spectacle of an art show rarely seen as good times and hilarity will surely ensue.

Additional sponsors for this event includes Cha for Tea and Coin-op TV.

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also had benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2000 square feet of open gallery space, 1000 square feet of shop/boutique, and over 3000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online in our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
