Gallery Nucleus Presents

CREATURE FEATURES: OCTOBER SHADOWS

October 10, 2009 – November 02, 2009

Opening Reception: Saturday October 10, 2009 (7 pm – 11 pm)

Alhambra, CA – Gallery Nucleus and Creature Features invite you to join us for OCTOBER SHADOWS, an exhibition celebrating the mysterious tradition of ‘All Hallows Eve.’

For the past two years, October Shadows has been known as Creature Features’ annual homage to the Halloween spirit. Every autumn, a prestigious group of artists from all facets of fine art, illustration, comics, film, TV, and animation gather to conjure a wealth of imagery that explore the grotesque and the occult.

On October 10, 2009 Nucleus will unveil original works by and eclectic roster of artists, including Travis Louie, Cam de Leon, Chet Zar, William Stout, Dan Brereton, and Gris Grimly. Installations and sculptures will also be on view with work by Academy Award winning make-up artist Jordu Schell. The show will also serve as the official book release party where one can pre-order the Creature Features’ book by the same title.

Opening night features include :

- DJs spinning music.
- Free refreshments and snacks served.
- This is an all ages event
- Admission is free.

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art-loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also held benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2,000 square feet of open gallery space, 1,000 square feet of shop/boutique, and over 3,000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online on our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
