Alhambra, CA - Join us Saturday, December 12 for our annual POWER IN NUMBERS event! Going into our 4th year, the POWER IN NUMBERS (PIN) exhibit combines a love of art with philanthropy for the biggest event of the year.

Having been consistently well received in the past, PIN features over 100 original artworks by international and local artists. Artists were limited to creating works within a 5" X 7" size, though with no restrictions on themes or mediums, a variety of aesthetics and styles will be represented in this modest format.

All artworks will be priced at \$100.00 and a small selection of artworks will be auctioned. A portion of the night's sales will benefit the American Red Cross (San Gabriel Pomona Valley Chapter) on emergency response efforts.

There is no preview for this exhibition and no VIP treatment. Artwork is sold Opening Night on a first-come, first-serve basis so be sure to arrive early to line up! Please check our website for details on how to purchase and bid on artwork; www.gallerynucleus.com. There, you can also view the wonderful roster of participating artists.

...and many more!

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also had benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2000 square feet of open gallery space, 1000 square feet of shop/boutique, and over 3000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online in our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
