Alhambra, CA – Get lured into the extraordinary realm of Wonderland at Gallery Nucleus Saturday February 27, 2010.

It's been more than a century and Lewis Carroll's '*Alice's Adventures In Wonderland*' continues to enchant children and adults. With the highly anticipated film adaptation by Tim Burton and Disney Studios looming in the horizon, Gallery Nucleus presents a captivating exhibit as artists of the film and beyond create their vision of the iconic story and celebrate it's lasting legacy.

Featuring work by Amy Sol, Chris Appelhans, Kukula, Naoto Hattori and more, a superbly talented and diverse roster get curiouser and curiouser with works that range from the gothic to the whimsical. Glimpse into the creative brilliance of Disney Studios as exclusive, never-before-seen concept art, production, and film stills will be shown from the upcoming *Alice In Wonderland* film.

Style yourself in your best Alice inspired attire and be entered for a chance to win 'Alice' merchandise, including an exclusive *Alice in Wonderland* print from award-winning artist and character designer Michael Kutsche. Refreshments and snacks will be served opening night, including an assortment of tasty teas provided by Cha for Tea. This fun and fanciful event is sure to delight art-lovers of all ages.

*Since October of 2004*, Nucleus has strived to be a welcoming gathering place for the art-loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also held benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2,000 square feet of open gallery space, 1,000 square feet of shop/boutique, and over 3,000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online on our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
