Gallery Nucleus Presents

IT'S A SMALL WORLD

September 17, 2011 – October 3, 2011

Opening Reception: Saturday September 17, 2011 (7 pm – 10 pm)

Alhambra, CA—Gallery Nucleus, Joey Chou and Disney Press are delighted to present “It’s A Small World”, a group exhibition featuring an impressive collection of works created by 45 artists paying homage to this iconic Disney Park attraction, just in time to honor its 45th anniversary.

This exhibit celebrates both the release of artist/illustrator Joey Chou’s latest children’s book by Disney Press, as well as the enduring theme of world peace and international unity that the original Sherman Brothers song and beloved Disney Park boat ride have embraced for almost half a century.

The book features the lyrics of “It’s A Small World (after all)”, accompanied by Chou’s vibrant illustrations that give a modern and playful spin to this 45 year old classic while staying true to its original message. Joey Chou will be present on opening night, along with several of the exhibiting artists, for a meet-and-greet/book signing.

Opening Night Highlights:

- Raffle prizes, including a signed copy of Joey’s book.
- Exhibiting artists in attendance.
- Artist Joey Chou will be signing copies of his book “It’s A Small World”.
- Free admission and refreshments.

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art-loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also held benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2,000 square feet of open gallery space, 1,000 square feet of shop/boutique, and over 3,000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online on our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
