Gallery Nucleus Presents

'ZOMBIES IN LOVE'

February 6, 2010 – February 22, 2010

Opening Reception: Saturday, February 6, 2010 (7 pm – 11 pm)

Alhambra, CA – Can zombies find love too? Gallery Nucleus invites you to find out during a night of bloody romance and undying horror. 'ZOMBIES IN LOVE' gathers artists, art lovers, and zombie enthusiasts to celebrate the undead. The night will come alive with a horrifying spectacle, as zombies take over Main Street Alhambra, and will stagger forth with a large-scale group exhibition of new and original drawings, paintings, and sculptures by artists from film to fine art.

Come dressed in your finest flesh-eating garb and parade the streets in search of fresh brains and true love at our ZOMBIE WALK. The procession will meet at 6:20PM at the corner of Main St. and Atlantic Blvd, and the march begins at 6:30PM - anyone resembling the living may be feasted on immediately. Each participating zombie will receive a goodie bag full of contagious gifts. The winner of the Best Zombie Costume will win his/her fill of delicious prizes.

Defend yourself from a zombie apocalypse as we host the first-ever Zombie Shooting Gallery. Thanks to the folks at Steel Hawk Airsoft, you're now equipped with enough ammunition to bring down the zombies as they try to breach your perimeter.

This is a night no living creatures ought to miss! Come and spread the love and infection at an event sure to instill terror into the hearts of the living. Stay undead and stay in love zombie boys and girls.

Opening Night highlights:

- Zombie Walk at 6:30PM (meet at the corner of Atlantic & Main St.).

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art-loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also held benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2,000 square feet of open gallery space, 1,000 square feet of shop/boutique, and over 3,000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online on our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
