Gallery Nucleus Presents

'ENCHANTÉ'

June 19, 2010 – July 12, 2010

Opening Reception: Saturday June 19, 2010 (7 pm – 11 pm)

Alhambra, CA – Gallery Nucleus is excited to present 'ENCHANTÉ', an exhibit featuring a mélange of contemporary French illustrators and fine artists. Time and time again, Gallery Nucleus has had the pleasure of bringing attention to Adolie Day, Marguerite Sauvage, Véronique Meignau, and many others who have one factor in common: these talents hail from France. We felt an exhibit dedicated to the extraordinary diversity and creativity of their country seemed appropriate and overdue.

On June 19th, get acquainted again with works by them and be 'pleased to meet' artists such as Benjamin Lacombe, Rebecca Dautremer, Gerald Guerlais, Alexandre Day, and more, who will be exhibiting at Nucleus for the first time. We are excited to introduce a diverse flavor of France, as told by its freshest creative voices.

Despite national roots that tie all these artists together, each has an aesthetic that is uniquely their own. Exploring a range of subject matter with both personal and published pieces, their caliber of work welcomes closer inspection and appreciation. From Alexandre Day, who spins dramatic portraits out of ethereal and emotional lines, to the vintage styling of chaotic worlds and funky characters by McBess, the artists showing in Enchanté deliver an exhibition rich with artistry, charm, and passionate narratives.

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art-loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also held benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2,000 square feet of open gallery space, 1,000 square feet of shop/boutique, and over 3,000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online on our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
